

Chelsea School District Professional Borrower Privileges and Registration

Teachers, Administrative Staff and other professional staff in the Chelsea School District are provided Resident borrowing privileges at Chelsea District Library and do not have to live in Chelsea to take advantage of these privileges. These privileges do not extend to Student Teachers.

In some cases, materials may be kept for longer than the usual loan periods, assuming they might be needed for curricular or classroom development. The current extended loan periods are as follows

<i>Material</i>	<i>Extended Loan Period</i>	<i>Usual Loan Period</i>	<i># Renewals Allowed</i>
Adult/YA/Juvenile Books (including large print and paperbacks)	9 Weeks	3 Weeks	0
Magazines	2 Weeks	1 Week	1

All other material loan periods and renewal limits are the same as those for all Chelsea District Library resident patrons. All usual fines, rental fees and materials replacement fees will also apply.

These privileges require proof of employment in the Chelsea School District. This (see reverse) CSD Employee Registration form needs to be filled out, signed by school administration and returned to the Chelsea District Library, in person. At registration, you will be asked to show a picture ID. A library card will be issued at that time.
